Dear Sir/Madam,

Subject: Acknowledgement of AQAR

Greetings from NAAC!

We acknowledge the receipt of online submission of Annual Quality Assurance Report (AQAR).

The philosophy of NAAC is ameliorative and enabling rather than punitive or judgmental, so that all constituencies of institutions of higher learning are empowered to maximize their resources, opportunities and capabilities. In this respect we appreciate your efforts of establishing the IQAC in the institution. One of the important functions of IQAC is to develop realistic and attainable quality benchmarks for each of the academic and administrative activities, means fixing standards for all activities on the basis of its own practices and experiences. The most critical functioning of IQAC's is to keep the institution abreast and abuzz with latest developments in Higher Education and quality sustenance activities. The college may organize workshops, seminars, case studies, multi-disciplinary activities. These activities would expose the students and teachers to new frontiers of knowledge. NAAC is striving its best to promote the quality culture through IQAC in accredited institutions. NAAC has brought out several publications. Some of the Best practices series books are mentioned below:
