#### Description

Swami Vivekananda once exclaimed, "So long as the millions live in hunger and ignorance, I hold every person a traitor who, having been educated at their expense, pays not the least heed to them!"

The Ramakrishna Mission Vidyalaya, Coimbatore has taken a significant step towards supporting underprivileged students by introducing the Sarada Noon Meal Scheme on December 15, 2022. The scheme targets students who come from families below the poverty line. An assessment process is employed to identify eligible beneficiaries based on income levels. The selection process ensures that deserving students receive the benefits of the scheme.

Under the Sarada Noon Meal Scheme, Ramakrishna Mission Vidyalaya provides freshly cooked, hygienic, and nutritious vegetarian meals to the selected students. The meals are prepared in a clean and well-equipped kitchen facility, adhering to stringent quality and safety standards. The menu is designed to provide a balanced combination of rice, lentils, vegetables, and protein sources, ensuring the students receive adequate nutrition.

The Sarada Noon Meal Scheme is implemented within the premises of the Ramakrishna Mission Vidyalaya. The selected students receive the noon meal on all working days, thereby ensuring consistent and sustained support.

### **Outcomes**

- Underprivileged students received daily nutritious meals, promoting their physical and cognitive development, setting the foundation for a brighter future.
- The programme contributed to building healthier and more resilient communities, impacting not only the students but also their families.
- The programme fosters the sense of solidarity and social responsibility among the students.
