Description about the Programme

The Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education has organised an Energy Conservation Awareness Programme for Students in Institute of Agriculture and Rural Development (IARD), Ramakrishna Mission Vidyalaya on 09.06.2022. The programme began with prayer song sung by Sri R. Amarnathvenkatraman, Music Teacher, Sri Ramakrishna Mission Vidyalaya

College of Education at 09.30 pm. Sri Sugantharajan, Principal, IARD, Sri Ramakrishna Mission Vidyalaya has welcomed the gathering. Swami Narayananda, Secretary of IARD, Sri Ramakrishna Mission Vidyalaya has delivered the Presidential Address. Sri N.R. Vaideeswaran, External Faculty, Petroleum Conservation Research Association, Southern Region, Chennai has acted as resource person of the programme and delivered a lecture on conservation of domestic gas, electricity, petrol and diesel in our day-to-day life. He has explained the concepts by using power point presentation and showed some videos on how to conserve the energy resources. He has actively interacted with the participants and clarified their doubts. The programme has ended with a formal vote of thanks delivered by Dr. N.N. Prapakaran, Coordinator, Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education.

Outcomes of the Programme

- Students at IARD developed a deeper understanding of energy conservation practices, promoting eco-friendly behaviours and responsible resource management.
- Participants adopted energy-efficient habits and technologies, contributing to reduced energy consumption and lower environmental impact within the institute.
- The programme equipped students with the knowledge and skills needed to develop sustainable energy practices, preparing them for leadership roles in environmental stewardship.
- The initiative's impact extended beyond individuals, fostering a culture of energy conservation within the institute, ultimately benefiting the broader community and environment.
