Total number of beneficiaries - 21

Description about the Programme

The Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education has organised "Energy Conservation Awareness Programme for Women" who are residing at Staff Quarters in Ramakrishna Mission Vidyalaya on 27.02.2022.

The programme began with prayer song sung by Sri R. Amarnathvenkatraman, Music Teacher, Sri Ramakrishna Mission Vidyalaya College of Education at 3.00 pm. Dr. R. Ayyappan, Assistant Professor in Physical Science, Sri Ramakrishna Mission Vidyalaya College of Education has welcomed the gathering. Dr. S. Alagesan, Director, Sri Ramakrishna Mission Vidyalaya Swami Vivekananda Cultural and Heritage Centre has delivered Presidential address. Sri. N.R. Vaideeswaran, External Faculty, Petroleum Conservation Research Association, Southern Region, Chennai has acted as resource person of the programme and delivered a lecture on conservation of domestic gas, electricity, petrol and diesel in our day-to-day life. He has explained the concepts by using PowerPoint presentation and showed some videos on how to conserve the energy resources. He has actively interacted with the participants and clarified their doubts. The programme has ended with a formal vote of thanks delivered by Dr. N.N. Prapakaran, Coordinator, Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education.

Outcomes of the Programme

- Women residents acquired the knowledge and tools to reduce energy consumption, resulting in more sustainable and cost-effective homes.
- Participants developed a heightened sense of responsibility toward the environment by adopting energy-efficient practices, contributing to a greener community.
- Women residents experienced tangible savings on energy bills, enhancing their financial well-being and quality of life.
- The programme fostered a sense of community and shared commitment to energy conservation among the women residing in Ramakrishna Mission Vidyalaya's Staff Quarters.
