Description about the Programme

The Skill Training Programme on Home Appliances and Mobile Phone Servicing, organised by the Department of Extension Services, Sri Ramakrishna Mission Vidyalaya College of Education, aimed to empower the children residing in the Government Observation Home with valuable skills in electronics and home appliance repair. The programme spanned a period of three months, from December 8, 2022, to February 24, 2023, and was designed to enhance the participants' employability skill and self-sufficiency prospects upon their restoration into the society.

Outcomes of the Programme

- Participants acquired practical skills in home appliance and mobile phone servicing.
- The programme instilled a sense of self-reliance and entrepreneurship among the children, and empowering them to pursue sustainable livelihoods.
- Children's confidence levels significantly improved as they gained expertise in a valuable field, boosting their self-esteem.
- The training equipped the participants with practical skills that can ease their reintegration into society and help them become self-sufficient individuals.
