Consolidated Report on Teachers' Conventions

Sri Ramakrishna Mission Vidyalaya College of Education (Autonomous) has initiated organising a series of two-day Teachers' Convention for teachers from grass root level to Higher Education on 26.08.2022 aiming at developing the overall personality of teachers by providing value-based educational training. Since teachers are the strongest pillars of society, they should be encouraged and empowered with the right knowledge, skills, competence, attitude and values that would enable them to meet the demanding and challenging needs of the ever-changing society. Considering the significance, the College of Education organised a series of Five Teachers' Conventions to facilitate teachers to strengthen their mind, expand their intellect and inculcate value-based character, that could be transferred to nurture their students as well.

The two-day programme includes value-based lecture sessions, interactive sessions, and observational learning sessions. The following are the major topics discussed under the three heads.

I. Value-Based Lecture Sessions

- Ethics from the Ramayana and the Mahabharata
- Swami Vivekananda on the Role of a Teacher

II. Interactive Sessions

- Educational Amelioration in India
- Active Learning Methods in Teaching
- jkpo; nkhop gw;wpa milahsq;fs;
- Technology in Teaching (Introduction of Augmented Reality in Teaching)
- Cyber Security: Challenges and Solutions

III. Observational Learning Sessions

- Visit to Indian Cultural Heritage Exhibition
- Visit to Special Education and Adapted Sports institutions.

Objectives

- To illuminate the profound ethical principles, values, and moral lessons embedded in the Indian epics the Ramayana and the Mahabharata and to apply those values in the teaching and learning process and in modern life.
- To explore Swami Vivekananda's perspective on the significance, responsibilities, and impact of teachers in society.
- To engage teachers in a discussion about the advancements in the Indian educational system, and to introduce various active learning techniques in curriculum transaction.
- To provide hands-on experience in the application of digital tools like Virtual Reality, Augmented Reality and other mobile-based applications in the teaching and learning process.
- To create awareness of cybersecurity among the teachers.
- To explore the richness and significance of Tamil Language.
- To recognise the significance of India's cultural heritage and Indian freedom struggle.
