STRATEGIC PLAN

To achieve the mission, vision and core values of the institution, the Management of the college of Education has formulated a Four-fold strategic plan for the years 2020-2030.

The IQAC and the management collaborated with faculty members, students, alumni, and parents to ensure that the Strategic Planning and Deployment document reflected the institution's needs and objectives. The document was formulated through a SWOC analysis, which involved continuous brainstorming and discussions with faculty members. The institutional goals were identified in various growth domains, and strategies with action plans were developed to achieve them.

The involvement and contributions of all stakeholders were carefully considered during the formulation of the strategic plan and deployment document.
