

**SRI RAMAKRISHNA MISSION VIDYALAYA  
COLLEGE OF EDUCATION  
(Autonomous)  
Coimbatore - 641 020.**

**ACADEMIC CALENDAR  
2021 – 2022**

**SRI RAMAKRISHNA MISSION  
VIDYALAYACOLLEGE OF EDUCATION  
(Autonomous)  
- A PROFILE**

Sri Ramakrishna Mission Vidyalaya College of Education started in 1950, is a premier institution of higher education located near the city of Coimbatore. It is a unit of Ramakrishna Mission Vidyalaya, Coimbatore, which is spread over an area of 300 acres. This institution was the first Autonomous College of Education in India and is affiliated to Tamil Nadu Teachers Education University, Chennai and accredited with A++ grade by NAAC. The courses offered by the College are recognised by the National Council for Teacher Education. The College aims at man- making and character-building education as advocated by Sri Ramakrishna, Swami Vivekananda and Mahatma Gandhi.

**PROGRAMMES**

The college offers a wide range of programmes in education. The details of the programmes areas follows:

- Bachelor Degree in Education (B.Ed.)
- Master Degree in Education (M.Ed)
- Master of Philosophy in Education (M.Phil)
- Doctor of Philosophy in Education (Ph.D)

## **Bachelor Degree in Education (B.Ed.)**

The B.Ed. programme was started in the year 1950. From 2015 onwards, the one year B.Ed. programme of the college has been restructured as a two year programme consisting of four semesters as per the norms of NCTE and TNTEU.

### **The programme comprises of three broad curricular areas**

1. **Perspectives in Education:** This theory part (12 papers) consists of core course (11 papers) and one Elective course (select any one from six).
2. **Curricular and Pedagogic Studies:** The course is designed to enable the students to specialize in their school subjects (Optional 1 and Optional 2).
3. **Engagement with field** - this includes school internship, tasks and assignments and course on Enhancing Professional Capacities.

Optional I Papers offered in the B.Ed. Course are: Commerce, Computer Science and General English.

Optional II Papers offered in the B.Ed. Courses are: Biological Science (Botany and Zoology), Commerce, History, Mathematics, Physical Science (Physics and Chemistry) and Special English.

## **Master Degree in Education (M.Ed.)**

The M.Ed. programme was started in the year 1964. Till the academic year 2014-2015, the programme was of one year duration. From 2015 onwards, the duration has been increased to two years which spreads over four semesters

as per the norms of NCTE and TNTEU. The programme has twelve theory papers, practical aspects classified as Competence Enhancement Practical (CEP) and Performance Enhancement Practical (PEP), internship and dissertation

### **M.Phil. and Ph.D. Programmes**

The College offers M.Phil. (Master of Philosophy in Education) and Ph.D. (Doctor of Philosophy in Education) degree programmes on full-time and part-time basis. The Ph.D. and M.Phil. programmes were started in the years 1966 and 1977 respectively.

### **IGNOU Programmes**

The college is one of the study centres of IGNOU's distance education programme for B.Ed., M.Ed., M.A. (Edn.), PGDET & PGDEMA.

### **Diploma Courses**

Four diploma courses are offered by the college, and classes for these courses are conducted after normal working hours for the benefit of the B.Ed. and M.Ed. students. School teachers can also join these courses.

The descriptions of the courses are as follows:

## **Diploma Course in Library and Information System**

Information is a resource, which together with physical, economical, technical and human resource is a must for national development. Keeping these factors in view the diploma course on Library and Information System has been designed. The objectives of this course are, 1) to understand the concept of library and information system  
2) to develop, organise and disseminate information in an effective way,  
3) to understand and adopt new modes of technology like internet, intranet and extranet,  
4) to manage and coordinate modern school libraries with information centres.

## **Diploma in Educational Psychology and Child Education**

Child Education is the primary field in which the human resource of a nation is built upon. The plurality of Indian way of life and the influence

of scientific and western thoughts play their respective role in imparting knowledge and skills of the children. Hence the diploma courses on Educational Psychology and child Education has been designed with an idea of equipping teachers in dealing with young children.

### **Diploma in Computer Programming and Educational Applications**

The Computer Technology has influenced education and its applications. It is necessary that every teacher should have the awareness of Computer and its applications. Hence the diploma course has been designed to make the trainees to use the computer technology for their teaching - learning activities.

### **Other courses**

#### **Spoken English Course**

A compulsory course on Phonetics and Spoken English has been arranged for all the students of the college thrice a week. They are trained with different sub-skills of speaking with varied topics and situations to use the language. All the modern gadgets are employed meticulously to provide high-tech English climate.

#### **Certificate Course in Yoga and Meditation**

The activities of the college help much to promote the intellectual and spiritual developments of students. For a wholesome personality, physical development too, is inevitable. Hence a course on Yoga and

Meditation is arranged for the students in which various Asanas and breathing exercises are taught.

### **Scout Masters Training Course**

The modern trend in education spells out various extra curricular development of the learner. The compulsory Scout masters' training course is provided to all students to bring out their hidden talents and to run Scout troops in their future career as teachers.

### **Common Facilities and Laboratories**

#### **EDUSAT VSAT Laboratory**

With the assistance of the Department of Consortium for Educational Communication, an Inter University Centre of UGC on Electronic Media, a Satellite Interactive Terminal was installed at our college which is functioning through EDUSAT VSAT (Very Small Aperture Terminal) system.

#### **Library and Information Centre**

The college library has about 16,000 volumes. In addition to these, hundreds of these and research reports are available for reference. The college subscribes to about 52 journals and magazines. A collection of educational materials in CD is also available. The facilities offered by the library include Lending, Reference Service, Internet and e-mail Service, Current Awareness Service, and Career Guidance.

#### **Educational Psychology Laboratory**

The college has a well-equipped psychology laboratory, which provides practical training to the student teachers and also gives guidance and counselling to children and parents in need. The laboratory has more than 250 tests to assess intelligence, aptitude, creativity and many other personality traits of individuals besides audio and video cassettes on personality development.

### **Smart class**

Smart class is a technology leveraged to improve the teaching - learning system which has evoked a new environment, new emotion in the classrooms. It is an environment where the teacher is empowered to teach better and student is inspired to learn better than before. Smart class can boast about multimedia, mapped to CBSE, ICSE, State board curriculums, and explains the most difficult concept with easy clarity, bridging the learning gaps between the two stakeholders. It is equipped with exhaustive repository of well researched, digital modules of lessons (consisting of audio-video, 2D and 3D animations and graphics) on almost every subject from KG to class XII.

### **Educational Technology Laboratory**

The educational technology laboratory of the college has a good collection of educational video films and provides training to students in using multimedia facilities. It has a mini-studio with an editing unit for producing educational programmes. It is also open to the schools in the

Vidyalaya and in the neighbourhood for demonstration purposes.

### **Computer Laboratory**

The centralised computer laboratory, with adequate number of computers is used in teaching the diploma course in computer application. The students are given basic skills in computer operation theoretically and practically with the help of this laboratory.

### **Work Experience Laboratory**

The students have the opportunity to develop socially useful productive work with different materials available here. It also provides exposure to notebook and envelope making skills.

## **OPTIONAL SUBJECT RELATED LABORATORIES**

### **Language Laboratory**

The language laboratory of the college has a good collection of language development materials and tests. A spoken English course is also offered to the students through this laboratory. It has electronic materials for listening and speaking and provides language development training through multimedia.

### **Computer Laboratory**

The college has a separate computer laboratory with appropriate hardware and software to provide training to the computer

science optional students as well as in-service education to teachers and administrators.

### **Biological Science Laboratory**

The laboratory has all equipments and materials for teaching Botany and Zoology upto class XII. It also provides practical experience to students and staff of nearby schools. The department prepares indigenous teaching kits to be used by the trainees and staff of nearby schools.

### **Physical Science Laboratory**

The laboratory has all equipments and materials for teaching Physics and Chemistry up to class XII. It also provides practical experience to students and staff of nearby schools. The department prepares and distributes low-cost science kits to schools.

### **Mathematics Laboratory**

The Laboratory has indigenous kit to teach all mathematical concepts to students of primary to higher secondary levels. It also has number of video lessons on various topics on mathematics and Mathematical puzzles.

### **History Laboratory**

All kinds of maps to teach History and Geography, pictures of historical places and information on national leaders are available in the Laboratory. It also has various models.

### **Commerce Laboratory**

The Commerce Laboratory has a collection of gadgets dealing with model bank, management,

e-commerce and e-banking, international trade etc., besides video and audiocassettes.

### **EXTENSION SERVICES DEPARTMENT**

This department conducts in-service courses every year on various topics to update the knowledge of teachers in schools. The department offers subjects and need-based in-service courses for teachers at various levels working in 11 educational districts. The department develops a close interaction between the college and the neighbouring schools, which is very vital for the overall development of education.

### **PHYSICAL EDUCATION AND RECREATION DEPARTMENT**

The college has spacious playgrounds for sports and games. Facilities for indoor games are also available in the campus. The department provides information on health, and provides training on officiating and conducting tournaments. The staff recreational activities and indigenous activities for students are the special features of the department. The department also organises a certificate course in Yoga and Meditation and other recreational activities periodically.

### **HIGHLIGHTS OF STUDENT ACTIVITIES**

The student governed parliamentary system is adopted, and different ministers for a term of two months look after the respective activities. They are asked to organise seminars, workshops, educational exhibitions and student association

activities. They are encouraged to take part in state and national level seminars, workshops and educational competitions. They help in maintaining the library and laboratories. They donate blood in case of emergency and render service as scribe and readers to blind students. Participation in community work, campus cleaning, cultural programmes and field trips are other activities of our students.

### **CAMPUS INTERVIEW FOR STUDENTS**

The college arranges campus interview for the students every year. About 85% of the students get employment before completing the course.

### **PUBLICATION DIVISION**

The publication division of the college publishes a leading quarterly journal, Journal of Educational Research and Extension (JERE), since 1964. This is a notified journal by the Directorate of Collegiate Education and the Director of Public Libraries. The journal is subscribed by more than 500 Universities/Institutes/members across India and abroad.

### **RESIDENTIAL FACILITIES**

Residential facilities are available for all the B.Ed. students of the college. The hostel in the campus provides decent boarding and lodging facilities for about 140 students and the participants of in-service programmes are accommodated in a separate hostel. Prayer hall, recreation room, reading room, first-aid kit

and health care facilities are available for our students. Sufficient quarters are available for all staff provided they wish to stay in campus.

### **CONSULTANCY SERVICES**

Besides teaching, the staffs of the college are also actively engaged in providing consultancy services to schools, and national and international agencies involved in education and special education.

### **MODEL SCHOOLS**

The college uses the following four schools present in the campus as its model schools for the student-teachers:

1. Sri Ramakrishna Mission Vidyalaya High School
2. Swami Shivananda Higher Secondary School (English Medium)
3. Swami Shivananda Higher Secondary School (Tamil Medium)
4. T A T Kalanilayam Middle School

Besides these schools, more than 30 schools in Coimbatore are cooperating with the college in organising practice teaching for the B.Ed. Students.

### **OTHER INSTITUTES IN THE VIDYALAYA**

The Vidyalaya is a huge educational complex spread over an area of 300 acres. In addition to the college and the model schools, the Vidyalaya has several other institutes.

They are:

1. College of Arts and Science (Autonomous)
2. Maruthi College of Physical Education (Autonomous)
3. Polytechnic College (Autonomous)
4. Industrial Training Institute
5. Gandhi Teacher Training Institute
6. Institute of Agriculture and Rural Development
7. Ramakrishna Mission Vivekananda Educational and Research Institute (RKMVERI) –Coimbatore Campus
  - Faculty of Disability Management and Special Education (FDMSE)
  - Faculty of General & Adapted Physical Education and Yoga (GAPEY)
  - Faculty Centre for Agricultural Education and Research (FAR)
  - Department of Mathematical Science -  
Department of Computer Science (DCS)
8. Integrated Rural Development Scheme
9. Swami Vivekananda Cultural and Heritage Centre.

## **Support Services**

1. Book stall: A bookstore / sales section disseminates the message of the Holy Trinity through display and sale of Ramakrishna-Vivekananda literatures.
2. Printing Press: A modern computerized printing press takes care of almost all the printing needs of Vidyalaya.
3. Hardware Department: There are two engineers and one assistant engineer in hardware department. It is located on the Polytechnic campus, takes care of the maintenance and repair of all computers, printers, scanners, etc., in the various institutions of Vidyalaya.
4. Maintenance and Repairs Department: It takes care of practically all the requirements of Vidyalaya, including the construction of new buildings etc.
5. Dairy and Goatery: About 30 milch animals are maintained to serve hands-on training to our students of the Institute of Agriculture and Rural Development.
6. Disabled Trainees' Vocational Production and Rehabilitation Centre: A Notebook Section has been in operation on the Vidyalaya campus since 1992. Besides catering to the needs of notebooks of our various institutions within the campus, the section takes orders on a selective basis from other institutions as well with the primary objective of providing employment to the economically backward and

- the physically challenged persons. Notebooks are priced at bare minimum.
7. Ramakrishna Mission Vidyalaya Charitable Dispensary: The Charitable Dispensary of Vidyalaya caters to a population of around 8000 students and 800 staff members and their families besides a large number of underprivileged people residing in the surrounding areas. In addition to regular general consultation, the dispensary also offers consultation by specialists in the areas of orthopaedics, neurology, paediatrics, cardiology, gynaecology, diabetes, skin, asthma, dental, ENT, general surgery, etc. On an average, around 150 patients visit the dispensary for consultation every day. As part of the medical services, many free medical camps will be organised for the benefit of the underprivileged.
  8. Ramayana Park based on Indian epic - a project to promote Indian values: The Ramayana Park has been set up with the aim of taking our ancestors' individual, family, social, ethical, and moral values to the general public. It is structured around the images of twenty-one important personalities of the Ramayana with their respective characteristics. The Park is an innovative and eye-catching attempt, therefore children can have facilities for exercise and recreation, and at the same time cultivate a mind to appreciate the Ramayana's subtle power of developing character, art, and culture.
